"It is said," he proceeds, "that on Mr. Grosveron's arrival at Manwyne an investigation could be got out of the witnesses was a denial that Margary had ever been to Manwyne at, as compared with 70,000 tone in the correspond all. The officers of the escort had, however, ing period of 1874. another story, picked up from their Krohyen guide, and they were able to point out the illustrated in a most ludicrous manner at the did not know how the beer came to be in the hot spring to which Margary was going Liverpool police-court on the 18th inst. A man forecastle. when he was murdered, and the tree on which the court, in concluding the administration of his head was placed. Some wrotched Kuch- the outh, and, in a most solemn manner. "So

the examination was a farce." Now some thing of this has been mosted before and THE CHRONICLE AND DIRECTORY long ago in these columns such a result was prophosicd. It is generally understood that the result of the Mission, so far as the trial at Manwyne is concerned, was a failure. A number of men-fourteen The Times correspondent says are in prison at Talifu, and they may really be the immediate instruments of the crime, or they may be wholly innocent, a matter very difficult to determine, if it be true, as reported, that been taken for granted that a file of victims.

would be forthcoming to explate the outrage when necessary, and it would have been a matter for surprise if they had not been produced. But we are little interested in the poor ignorant wretches who executed the will of others. They were probably only obeying orders which they had notther the will nor the understanding to question. them Margary would naturally be a fitting shiest for rangonnes if us it was rumqueed

by some mischievous persons at the time, large body of armed foreigners was entering However much, therefore, the result of their act is to be deplored, they are certainly not so worthy of blame as those who instigated the crime. The identity of the prime author of the deed is still undetermined, for all we know Ly Stray attenuously protests his innocence of complicity in the act, and complains of the

injustice done to him by the Chinese Government. As far as actual participation in the outrage is concerned, it seems that he really could have had no share in it, if it be correct that Mr. NEY ELIAS had personal communication with him at Mong-mai at the very time when MARGARY was assassinated at Manuyue. But this fact alone will scarcely. exonerate him from all participation in the pullers to show themselves. On the contrary

tragedy, for it would not be necessary nor, indeed, would it be expedient—for the wire it would be advisable to throw people off the scent as much as possible. And this is, perhaps, just what In Strat has laboured to do. At the same time, in justice to him, it must be admitted that, so far as we know, nothing has been positively proved against him. The fact, however, that the Chinese Government has degraded and imprisoned him-shows either that there are good reasons for suspecting him of being one of the instigators of the outrage, or that he is regarded as a danger-Orders for Copies may be sent to the Daily ous man whom it is desirable should be dispossessed of power and got rid of. There

are probably wheels within wheels in connec Amoy Messra. Wilson, Nicholla & Go tion with this affair which will render any elucidation of the actual circumstances almost impossible. While, however, it is extremely doubthit whether the real authors of Mr. MARGARY's tragic end will ever be brought to light and punished, there can be no quesdemand of the British Government for satisfaction: The Imperial Government of Peking, and even the people of Yunnan-the Shan (assault with intent to marder). tribes as well the Chinese inhabitants-will have learned, once for all, that an English-

THE SILVER COMMITTEE. The very clear and able Report of the Committee of the House of Commons appointed to one else interested in maintaining the price of lion, or, in our judgment, in any other the metal. The Committee was presided over except the general tendency of everything by Mr. Goschen, perhaps the first living to adjust itself to the law that nebod authority on exchanges; it received evidence will permanently sell anything, be it hi from experts of all countries, and it arrived at time or his goods, at a dead loss. Th conclusions which, despite the justifiable and palliative said to be in favour at the India necessary caution in the tone of the Report, are Office of ceasing to coin rupees can be of no singularly clear and definite. Intelligently read, use, for it would only increase the native as they will be when the Report itself, instead inclination to heard gold instead of silver, an of its summary, has resolted the public, they inclination already so pronounced that, say the will be found, we think, to justify the most Committee, £100,000,000 in gold have been serious fears as yet entertained by the Indian imported into India and hearded in the pas Government and all whose incomes are forty years; while the beroic remedy, the dependent on remittances in silver. manently affect the price of silver, it is expedient simply obarged with inquiry," and bad no to remove one grave popular misapprehension, obligation to discuss remedies, but they do

PUNTI AND MANDARIN PRONUNCIATION. An Anglo-Chinese Dictionary, published at the Daily Press Office, Hongkong. INOR comprehensiveness and practical service this Work stands unrivalled. All the new words which the Chinese have of late years been compelled to coin to express the numerous objects in machinery, photography, telegraphy, and in science generally, which the rapid advance of foreign relations has imposed upon them, are ____ inform the public that his Shop has been here given in extenso. Each and every word is established since 1855, at Endicott's Lune, and FOR FREIGHT OR CHARTER,

fully illustrated and explained, forming exert that he has always a great quantity of BEST THE British Barque cises for students of a most instructive nature. COAL in store for Eale. Centlemen or Ship. Both the Court and Punti pronunciations are masters wishing to patronise him, are requested given, the accents being carefully marked on to apply at his Shop. the best principle hitherto attained. The typography displays the success of an attempt to make the Chinese and English type correspond in the size of body, thereby effecting a vast economy of space, achieving a clearness not previously attained, and dispensing with those vast margins and vacant spaces which have heretofore characterized Chinese publications. To illustrate the vast scope of the work, the following facts and submitted for consideration. Ibalmers' Vocabulary contains about 16,000 ADELINA AND MARIANNE, Ger. bk., Dahl .-Chinese characters, and Medhursts English and Chinese Dictionary about 100,000, whilet ALICE BUCK Am. ship, Stemmon .- Messathis work contains more than 50,000 English words, and upwards of 600,000 Chinese charac. ASIA Dan str., Molasn .-- Wm. Pustan & Co. ters.
